## **Apology to Expertise Events Pty Limited and Gary Fitz-Roy**

In the July 2016 issue of *Jewellery World Magazine* we published an article entitled "2017 Tradeshow" from page 18. That article contained a number of statements concerning the International Jewellery Fair and Expertise Events that are alleged to be misleading and untrue and we unreservedly withdraw and retract those statements and apologise to Expertise Events and Mr Fitz-Roy for any harm those statements may have caused.

We acknowledge that Expertise Events owns the business name "International Jewellery Fair" and has been successfully conducting the Fair since 1992.

Yours faithfully,

**Jeremy Keight**  
**Managing Director**
